NEW GALLERY STRUCTURE FOR AA/B IN 2007

We would like to wish you and your family a happy and prosperous 2007! May we have increased interest and investment in the arts and business in the New Year.

Beginning in February, Gallery AA/B will become a private gallery, focusing more on our corporate and private collections work. The gallery will host special exhibitions at various times during the year. We will continue to work with new and emerging artists, to enhance their work and careers in partnership with AA/B.

This decision evolved gradually and thoughtfully and is the best fit with our current business mode. We look forward to keeping you updated about our outstanding projects and artists. Please continue to check our website for artists' works, online exhibitions and client installations. As special gallery exhibitions are planned we will keep you posted with invitations. Thank you for your continuing interest and support.

Gallery AA/B is located at 535 Albany Street, Suite 3B, Boston MA. For more information please call (617) 574- 0022 or visit www.artadvisoryboston.com.
